Separation Allowance

25X1A9a

25X1A9a

1. According to the attached memorandum from the Office of General Counsel dated 1 April 1952, concerning the separation allowance of [REDACTED] there is no legal basis for waiving collection of the erroneously paid separation allowance of \$336.63 and the facts presently available tend to disprove the unsupported statements of hardship.

25X1A9a

2. Therefore, you are instructed to take appropriate steps to arrange for the re-payment of the \$336.63 by Mr. [REDACTED]

3. It is also requested that you or your Office draft a proposed instruction designed so as to make it mandatory that officers approving allowances will hereafter stipulate in the authorization the details of the allowance, such as the description of the dependents in the case of separation allowance, thereby enabling the certifying officer to determine whether the allowance is in accordance with Regulations. Please prepare this proposed draft as soon as practicable.
